

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Because of my physical inability to receive any local broadcasts from the closest stations, the cost would be excessive for the proper equipment and tower, I therefore request you to vote for this merger. I have tried every effort with the stations to get a waiver for me to receive out of area stations of the newworks but because of their instances that I am in there broadcast area they will not release a waiver for me. I am a vivid football fan and cannot get any games unless this merger is made. Thank you for your support and my vote will be reflected in the next election with those thanks.

Sincerely,

Frank Vitale
